

Supporting Refugees Living in Malaysia

The SAHABAT Support Center (SSC) provides educational programmes for refugees (adults, teenagers, and children), a kindergarten, supervised home schooling, a resource centre, vocational training, family health care programme, among others with the goal of improving their situation.

The center operates with full and part time staff members and the support of volunteers.

The SSC needs Volunteers

VOLUNTEER TODAY!

Teaching: *Think you would like to teach?
English, computers, reading,
story telling, photography,
drawing, dancing, chess, ... more*

Events: *Do you have high energy but
limited availability?
You can support us in any of our
recreational, educational, or
cultural events.
You can support selling the
beautiful handmade articles that
the women do at the workshop.*

Managing: *We need volunteers to
support our team on the daily
management of the centre.*

Public Relations: *We need volunteers to
find support for our
centre.*

Transportation: *Love driving?
We need volunteers to
provide a drive to and
from places where
refugees conduct
different activities.*
